## **SABAL HOMES NAMED ONE OF SOUTH CAROLINA'S FASTEST GROWING COMPANIES<sup>SM</sup> 2010 TOP 25 WINNERS**

MOUNT PLEASANT, SC – Sabal Homes has been named #19 on the list of **South Carolina's Fastest Growing Companies<sup>SM</sup> 2010 Top 25 Winners** by The Capital Corporation and sponsors Dixon Hughes, SCBIZ, and the South Carolina Chamber of Commerce. To earn this distinction, a combination of increases in full-time employment and gross revenue or assets is considered. Companies named as Top 25 Winners are noted as having significantly impacted South Carolina's economic development.

"We are very excited to be included in this year's ranking, especially as a homebuilder, with the 24 other terrific South Carolina companies. It is a validation that the core principles we founded the company upon, and the dedication of our outstanding team members that embraced those values, have resulted in success and growth for the company in the difficult economic conditions," says Matt Jones, a partner with Sabal Homes. "We pride ourselves on the relationships we form with our buyers and make every effort to exceed their expectations by tailoring homes to suit their individuality. We are elated that our efforts have translated into satisfied buyers and a growing business that is adding value to our community," adds partner Jason Simpson.

In spite of a housing market still in recovery, Sabal Homes continues to be a reputable force in the Charleston homebuilding industry. In 2010, the company anticipates it will again exceed the prior year's sales for the fifth consecutive year. Homes built by Sabal are marked by traditional Lowcountry architecture, thoughtful floor plans, and modern energy saving and convenience features.

Their current success allows them to build at multiple price points ranging across five neighborhoods in the Charleston area; from the \$120s in The Reserve at Eagle Run in Ladson to the \$300s and beyond in The Ponds in Summerville. “The fact that almost 40% of sales in The Reserve at Eagle Run this year came from referrals from existing homeowners is evidence that we have a product that people are happy with and want to share with their friends, family and co-workers. We are proud to be able to say that,” says Jason Simpson.

Founded in 2005 by Carolina natives Matt Jones, Jason Simpson, and Todd Ussery, Sabal Homes has garnered a growing list of awards for product, service, and customer satisfaction and been ranked on the Builder Housing Giant 400 Report by Professional Builder magazine. Sabal Homes is located at 401 Seacoast Parkway, Suite H, Mt Pleasant, South Carolina. For more information call (843) 388-8483, or visit [www.SabalHomesSC.com](http://www.SabalHomesSC.com).
